Subpart A—General

§ 248.1 General purpose and scope.

This part announces regulations under which the Secretary of Agriculture shall carry out the WIC Farmers' Market Nutrition Program. The dual purposes of the FMNP are:

(a) To provide resources in the form of fresh, nutritious, unprepared foods (fruits and vegetables) from farmers' markets to women, infants, and children who are nutritionally at risk and

who are participating in the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) or are on the waiting list for the WIC Program; and

(b) To expand the awareness, use of and sales at farmers' markets.

This will be accomplished through payment of cash grants to approved State agencies which administer the FMNP and deliver benefits at no cost to eligible persons. The FMNP shall be supplementary to the food stamp program carried out under the Food Stamp Act of 1977 (7 U.S.C. 2011 *et seq.*) and to any other Federal or State program under which foods are distributed to needy families in lieu of food stamps.

§ 248.2 Definitions.

For the purpose of this part and all contracts, guidelines, instructions, forms and other documents related hereto, the term:

Administrative costs means those direct and indirect costs, exclusive of food costs, as defined in § 248.12(b), which State agencies determine to be necessary to support FMNP operations. Administrative costs include, but are not limited to, the costs of administration, start-up, training, monitoring, auditing, the development of and accountability for coupon and market management, nutrition education, outreach, eligibility determination, and developing, printing, and distributing coupons.

Compliance buy means a covert, on-site investigation in which a FMNP representative poses as a FMNP participant and transacts one or more FMNP food coupons.

Coupon means a coupon, voucher, or other negotiable financial instrument by which benefits under the FMNP are transferred to recipients.

Days means calendar days.

Demonstration project means the Farmers' Market Coupon Demonstration Project authorized by section 17(m) of the Child Nutrition Act of 1966 (CNA), (42 U.S.C. 1786(m)), as amended by section 501 of the Hunger Prevention Act of 1988 (Pub. L. 100-435), enacted September 19, 1988. Public Law 102-314 authorized the Secretary to competitively award, subject to the

availability of funds, a 3-year grant (which was subsequently extended for an additional year by Public Law 102-142) to up to 10 States that submitted applications that were approved for the establishment of demonstration projects designed to provide WIC participants with coupons that could be exchanged for fresh, nutritious, unprepared foods at farmers' markets. Those States are: Connecticut, Iowa, Maryland, Massachusetts, Michigan, New York, Pennsylvania, Texas, Vermont, and Washington.

Department means the U.S. Department of Agriculture.

Eligible foods means fresh, nutritious, unprepared, locally grown fruits, vegetables and herbs for human consumption. Eligible foods may not be processed or prepared beyond their natural state except for usual harvesting and cleaning processes. Honey, maple syrup, cider, nuts, seeds, eggs, meat, cheese and seafood are examples of foods not eligible for purposes of the FMNP. State agencies shall consider locally grown to mean produce grown only within State borders but may also define it to include areas in neighboring States adjacent to its borders. Under no circumstances can produce grown outside of the United States and its territories be considered eligible foods.

Farmer means an individual authorized to sell produce at participating farmers' markets. Individuals who exclusively sell produce grown by someone else, such as wholesale distributors, cannot be authorized to participate in the FMNP. For purposes of this part, the term "farmer" shall mean "producer" as that term is used in section 17(m)(6)(D) of the CNA (42 U.S.C. 1786(m)(6)(D)). A participating State agency has the option to authorize individual farmers or farmers' markets.

Farmers' market means an association of local farmers who assemble at a defined location for the purpose of selling their produce directly to consumers. In cases where recipient access to farmers' markets is an issue, with prior FNS approval this definition may be expanded at the State agency's option to include farmstands at which authorized farmers sell their produce.
